All resource families are required to take the mandated reporter training when becoming licensed. They also need to renew this training every 4 years! Join us here for mandated reporter training and receive 2 training hours towards recertification! Mandated Reporters are a critical part of Maine's Child protection system and act as an early warning network to identify suspected child abuse and neglect; promptly enough to avoid serious and long term damage to a child. Positive Discipline

Presented by Monica Bushey AFFM Training Coordinator

The two most significant challenges children face are learning acceptable social behaviors and being able to control their own actions.

And there lies the vital importance of taking time to teach and guide children in learning how to make effective choices and manage their own behavior over time. This can start as early as possible. This workshop will cover the definition of discipline along with 7 principles of discipline which are introduced through group work and class discussion.

These principles of discipline will give you tools to use at home.

This is a two-session training. Both sessions must be attended to receive training hours.
