ADOPTION ANNOUNCEMENTS

DEFORGE FAMILY

Kristen DeForge is excited to announce the adoption of her daughter Akari DeForge on June 16th 2025 at the Portland District Court. Akari has always felt like a member of our family we are so blessed to finally make it official.

The Original Adoption Symbol:

The adoption symbol features a triangle intertwined with a heart. The triangle represents the triad of adoption: birth parents, adoptive parents, and adoptees. The heart symbolizes the love that connects all three sides of the adoption journey.

COOK FAMILY

We are so excited to welcome Morris Michael to the Cook family forever! He was adopted on April 23rd 2025 - we have cared for Morris since he was 5 days old and he is coming up on his 2nd birthday!! So much to celebrate!!

Celebrating an adoption?
We'd be honored to share
your joyful news!

Email your announcement to info@affm.net
to be featured in an upcoming issue of the
AFFM Newsletter.

KINSHIP CORNER

Watch for announcements on Facebook and AFFM's calendar on our website for events happening for Grandparents day throughout the state of Maine!

Celebrating Grandparents and Kinship Families

As Grandparents Day approaches September 7th, we honor the vital role of grandparents and kinship caregivers in the lives of Maine's children. In Maine, many children in the foster care system are cared for by relatives, providing a sense of continuity and stability. Grandparents, aunts, uncles, and other family members often step in to raise children during challenging times, offering not only a safe home but also love, support, and family connections.

Join us at the August Kinship Care Meeting where AFFM will be showing *Nonnas*: a heartfelt film about grandmothers, food, and tradition. *Nonnas* reminds us that even through loss and differences, we can still show up for one another with care and community. Thank you for all you do. You're not alone and resources like the Kinship Program are here to support you.

Wishing all our kinship families a joyful and meaningful Grandparents Day!

AFFM has partnered with the University of Maine to help survey kinship families who receive support from AFFM. Please keep an eye out for the survey (by mail or e-mail) from the University. Surveys will arrive about 3 to 6 months after your first call or service from AFFM. This will help AFFM document the impact of our work with families and identify areas for improvement. Thank you for helping AFFM with this important effort!

Messages from OCFS

OCFS Annoucement

{OCFS} is pleased to announce that Julie Panicci (formally McShane) has been hired as the Resource Parent Program Manager within the Office of Child and Family Services (OCFS). Julie has a BS in Sociology and holds a Master of Social Work, from the University of New England. Julie was employed with the OCFS for 21 years and has worked as a permanency/adoption caseworker and an adoption supervisor in District 1 before transitioning to her last role within OCFS was as the Program Administrator in District 2. Julie was involved in many different initiatives and committees that helped to improve practice and implement change. She developed stakeholder engagement to strengthened and evaluate district needs.

OCFS Announcement continued...

In 2019, Julie began working for The Cutler Institute as a Policy Associate II for Child Welfare Development. There, Julie collaborated with the State of Maine to help identify organizational/programmatic issues and trends and assess resources and barriers for organizational improvement.

She also implemented a model training system for child welfare staff and resource families that align with the agency's policies, model of practice and legal requirements to support the workforce.

Continued...

In 2021, Julie moved to doing the same type of work in the State of NH, at UNH and held the role as the Program Director for the Child Welfare Educational Partnership. Here she oversaw the contract with the NH Division of Health and Human Services to provide a broad range of educational programs, research, and development of training activities to all staff, foster and adoptive parents, and residential care providers at the NH Division of Children, Youth and Families. In 2024, Julie became a Child and Family Program Specialist for the Children's Bureau out of the US Department of Health and Human Services. Here, she provided oversight and coordination of federal child welfare programs, ensuring successful implementation of policies and guidelines to improve services to children and families.

We are very excited to be welcoming Julie back into the OCFS. She will begin this role on June 16, 2025 and will be stationed out of the Portland Office.

Denise Merrill, LMSW-cc
Manager of Child Welfare Statewide Programs
Office of Child and Family Services
Department of Health and Human Services
